STAND WITH VOCAL-NY AND ALLIES TO SHUT IT DOWN

Trump promised to "drain the swamp" but instead has filled his administration with wealthy businessmen like himself, offering high-profile jobs to several Goldman Sachs veterans.

Goldman Sachs has had its hands in the government for decades, and has been behind some of the worst policies that hurt our communities. Now, they're officially a part of the new White House.

That's why starting on Tuesday, January 17th, we are camping outside of Goldman Sachs' offices in NYC to demand an end to #Government Sachs.

WHEN: Tuesday, January 17th beginning at 3:00PM

WHERE: Goldman Sachs NYC Headquarters, 200 West St, New York, NY 10282. Trains: 1,2,3,A,C to Chambers Street, E to World Trade Center.

It's going to take all of us to keep one of this country's biggest banks out of our government. Together, we can shut it down!
